A five-minute limitation shall apply to each member of the public who wishes to address the Healthcare District Board of Directors on any matter under the subject jurisdiction of the Board. A thirty-minute time limit is placed on this section. No member of the public shall be permitted to “share” his/her five minutes with any other member of the public. (Usually, any items received under this heading are referred to staff for future study, research, completion and/or future Board Action.) (PLEASE STATE YOUR NAME AND ADDRESS FOR THE RECORD.)

On behalf of the Healthcare District Board of Directors, we want you to know that the Board acknowledges the comments or concerns that you direct to this Board. While the Board may wish to occasionally respond immediately to questions or comments if appropriate, they often will instruct the CEO, or other Administrative Executive personnel, to do further research and report back to the Board prior to responding to any issues raised. If you have specific questions, you will receive a response either at the meeting or shortly thereafter. The Board wants to ensure that it is fully informed before responding, and so if your questions are not addressed during the meeting, this does not indicate a lack of interest on the Board’s part; a response will be forthcoming.

Assistance for those with disabilities: If you have a disability and need accommodation to participate in the meeting, please call Bobbi Duffy, Executive Assistant, at (951) 769-2101 for assistance so the necessary arrangements can be made.
