III. Public Comment

A five-minute limitation shall apply to each member of the public who wishes to address the Healthcare District Board of Directors on any matter under the subject jurisdiction of the Board. On behalf of the Healthcare District Board of Directors, we want you to know that the Board acknowledges the comments or concerns that you direct to this Board. While the Board may wish to occasionally respond immediately to questions or comments if appropriate, they often will instruct the Hospital CEO, or other Hospital Executive personnel, to do further research and report back to the Board prior to responding to any issues raised. If you have specific questions, you will receive a response either at the meeting or shortly thereafter. The Board wants to ensure that it is fully informed before responding, and so if your questions are not addressed during the meeting, this does not indicate a lack of interest on the Board’s part; a response will be forthcoming.
